

# Highfield Primary School

## Newsletter 13<sup>th</sup> February 2026

This half term has flown by and we have welcomed many new families to Highfield. As always, the children at Highfield have made the new children feel welcomed and they have all settled in really well.

### School Street Update - Car Parking

Over the last few months, we have seen an increasing number of parents from Highfield and Swakeleys driving into the School Street – sometimes at speed – during the times when the School Street should only be accessed by those who have a genuine need to do so. *Those with a blue badge should only be using the badge if the person it is registered to is in the car.*

We are working with the council and local residents to find solutions to the problem before a child is seriously injured due to the number of cars entering the road. Further solutions that are being considered include, a physical barrier used in conjunction with yellow lines and parking restrictions in the surrounding roads, to minimise the impact on residents. To avoid such a draconian measure, we would ask that only those with a genuine reason enter the School Street during the restricted hours.

### Fund Raising at Highfield

During this half term we have held the following fund-raising event and would like to thank you for your contributions:  
NSPCC £98.00

### Breakfast Club Changes

From September 2026 Highfield Primary School will be offering a free breakfast to all children. The free breakfast club will start at 8:15.

To support working parents, we will continue to offer a paid – for childcare/breakfast club from 7:30.

### Colham Catering

When ordering online for your child please discuss the menu with your child to ensure they will eat what you have ordered. If your child is trying a new option for the first time, we would suggest you send them in with a small snack to supplement the lunch in case they do not like it.
