

Highfield Primary School

31st January 2020

The end of January has quickly arrived and our classes have been very busy: Lemurs, Chinchillas and Lizards have had their class assemblies which were very well received by parents. I would like to extend my thanks to all those involved in their preparation.

This week our Year 3 and Year 4 children took part in a cricket taster session which they really enjoyed.

School Street

The School Street outside of the school started on Monday 20th January 2020 which has had a dramatic impact on pedestrian and cyclists' safety. I am conscious that many parents are now parking in the surrounding roads and would ask they **park courteously and avoid parking across residents' driveways**. If you have any feedback regarding this initiative please speak to me in the playground or email the school so we may pass the comments on to the team overseeing this project.

World Wildlife Fund – Australia Appeal

Due to your generosity we raised £305.00 for this appeal. The children, in some classes, have continued to watch the ongoing developments with this new item.

50th Anniversary

On 19th March 2020 the school will be celebrating its 50th Anniversary. We are planning to mark the event with a number of different activities. We would still like more pictures and would ask if any parents or grandparents have any photos of the school from the last 50 years – the older the better- we would like to borrow them so we may copy/scan them so they can be used in lessons with children. If anyone is able to help please either hand them into the school office marked for the attention of Ms Corrigan or email them to office@highfield.hillingdon.sch.uk.

I would like to thank all parents/carers for their continued support and to all staff for their hard work and commitment.

Ms Lisa Corrigan
Headteacher
