

## Newsletter 25<sup>th</sup> June 2019

Last half term our Year 6 and Year 2 children continued to work really hard and completed their SATs. This half term the Year 1 children took their national Phonics Tests. All the children together with their teachers, have worked very hard in preparation for these tests.

### Water Bottles

We always encourage children to drink plenty of water, but especially during the summer months. Your child may bring in to school a bottle of water to leave in their classroom. Please ensure that the bottle is clearly marked with your child's name.

### Sun Protection

During the hot weather please ensure your child brings a hat/cap to school with them for breaktimes. Children may also bring in sun cream, which can be reapplied during peak times (including outdoor PE lessons). The sun cream bottle must be clearly marked with your child's name and class.

### Parentmail

As Parentmail is the main way we contact parents and advise them of upcoming events please can we ask that you make sure all your details are correct on your Parentmail account to ensure that all information from the school is received. We would also ask if you change anything within Parentmail you come into the school office so we may change it on our records as well.

### Westminster Abbey Quiz

Four of our Year 6 took part in a quiz at Westminster Abbey earlier this month. They did incredibly well and came 3<sup>rd</sup> out of over 18 teams. Well done to:

Ajay – Leopards  
Mostafa – Leopards  
Inaya – Tigers  
Krishee - Tigers

Thank you to Miss Turner, Mrs Viney and Mrs Duffy for organising and escorting the children.

### Playground Equipment

Playground equipment on school grounds may only be used during school hours when children are supervised by school staff. This is due to `health and safety` protocol and the conditions of our insurance policy. Therefore children MUST NOT use the equipment before or after school. Thank you for your understanding.
