Key Stage 2 Production:

A huge well done to all the children in years 3,4,5 who took part in their very successful production "Pirates versus Mermaids" I am sure that the parents will agree with me that the children sang and performed excellently. Also my thanks to all the staff in years 3,4,5 for all their hard work in putting the production together.

Football team – 1st win:

Well Done to the Highfield Football team and Mr Langford who had a fantastic game against Laurel Lane last week they secured their first victory of 2-0. The team have worked hard and have never given up. Congratulations to all and I look forward to seeing more wins next season.

Parent Governors:

Highfield Governing Body is looking to recruit additional Parent Governors to play a strategic role in the future of our school. Any interested parents should contact the school office so we can provide you with further information.

Traffic around the school area:

With improving weather and lighter evenings more children are cycling to and from school, please could we ask parents to continue to be very careful in and around the school area.

Acceptable behaviour on school premises:

As adults, we are all role models for children. Can we therefore be mindful of language used and conversations had when on school premises. Thank you for your cooperation.

Headlice:

Please could we ask parents to be vigilant when checking their children's hair as there has been several cases within school. Can we also stress that children with long hair should always have their hair tied up at all times.
