Highfield Primary School Local Offer for Children with Special Educational Needs or Disability (SEND)

Highfield Primary School is an inclusive school that aims to ensure that all pupils achieve their potential personally, socially, emotionally and academically in all areas of the curriculum (regardless of their gender, ethnicity, social background, religion, sexual identity, physical ability or educational needs). This document intends to give you information regarding the ways in which we ensure we support all of our pupils, including those with SEND, in order that they can realise their full potential. It may not list every skill, resource and technique we employ because in order to achieve our aim we are continually developing and modifying our provision to meet the changing requirements of our pupils.

Children are identified as having a SEN (Special Educational Need), when their progress has slowed or stopped and the interventions, resources etc. put in place do not enable progress. Once this occurs, we have specific needs-based plans and pupil profiles, which help support their development and accelerate progress.

Other useful documents such as our SEND Policy and our Equality Plan are available on the school website. If you would like any further information about what we offer here at Highfield Primary School, please do not hesitate to contact us directly. Our school SENDCo is Annalea Rickwood.

Provisions

Core Provision

- High quality, differentiated teaching for all students using ordinarily available provision.
- Regular tracking and monitoring of pupil progress.

Social Skills programmes/support including strategies to enhance self-esteem

- Practical Skills programme for an individual child or small group.

- Strategies for the use of personal medication.
- Individual plans/arrangements for children with significant medical needs or allergies.
- Provision of aids and resources to support learning.
- Access to the School Nurse.
- Individual support plans for children with short-term medical needs.

Additional arrangements

- The school ethos values all pupils, acknowledges diversity and celebrates achievements equally.
- School policies are reviewed annually to ensure inclusion and progress for SEND pupils.
- Staff and Governors undertake continued professional development in relation to SEND to enable them to offer support and guidance to ensure school improvement.
- The school uses an effective assessment process to ensure barriers to learning and success are identified quickly.
- All staff undertake ongoing CPD in relation to meeting pupils' need in the classroom including those with SEND.
- All support staff are effectively deployed to promote pupil progress, independence and value for money.
- All school related activities are evaluated in terms of their positive impact upon learning, success and inclusion of SEND pupils.
- Support is offered and signposted to families in order to reduce the impact of any disadvantage.
- Pupil voice mechanisms lead to changes in school practices and encourage a greater level of involvement.
- Social, Moral, Spiritual and Cultural development is central to all teaching and learning within school.
- The school uses systems to try their best to ensure that peer friendships are maintained and that no pupil feels isolated.
- The school is also committed to working with outside agencies as individual pupil needs require.

Frequently Asked Questions

How are pupils identified as having SEN?	Liaison with previous educational providers. Child performing significantly below expected outcomes. Concern raised by parents/carers. Concern raised by Class Teacher. Liaison with external agencies.
How will I raise concerns if I need to?	In the first instance, speak with your child's Class Teacher. They will refer to the school SENCO as necessary.
How will my child be supported during times of transition?	When transferring between Foundation Stage to KS1 and KS1 to KS2, information is shared between the existing teachers and the new teachers. When transferring to a secondary school, we will liaise with the new school. Children in Year 6 spend time preparing for transition and complete some specific transition work.
How will the school support my child?	The SENCO in collaboration with the School Senior Leadership Team oversees support that is additional to that provided through high quality teaching. Support that is additional to this will vary from child to child. If such support is provided, the SENCO/Class Teacher will inform parents/carers of the nature of the support.

How are the school's resources allocated to support individual pupil needs?	The school ensures that the needs of all children who have SEND are met to the best of the school's ability with the funds available. Teaching Assistants and HLTAs support in class and deliver specific interventions to individual children or small groups. The school will also access external providers as required and these are funded from the school budget. Children with an ECHP may receive funding that will be used to provide additional support; this will be dependent on the child's specific needs.
How will the school communicate with me about my child's SEND?	Parents/Carers of children who are on the SEND list are welcome to discuss their child's progress on an informal basis at a mutually convenient time with the Class Teacher and Inclusion Leader.
How accessible is Highfield primary School?	Our buildings are fully accessible; there is use of a lift to the first floor of our KS2 building. There is disabled toilet access.
