## Key Stage 2 SATS

Well Done to all the children in Year 6 who have completed their statutory assessments this half term. Next half term Year 1 children will be competing their phonics screening and the Year 4 children will be taking part in the national multiplication checker. Results from all assessments will be shared with parents with the school reports.

## Changeable Weather

Please could parents ensure their child/children are appropriately dressed either wearing a waterproof jacket and/or bringing a sunhat and a water bottle both named. Sun cream should be applied before school.

We would ask that to avoid any losses or accidents children do not bring sunglasses or umbrellas into school.

## Medical Appointments

Please could all parents try to make any medical/dental appointments after school or during the school holidays where possible.
