

Maths

Number and place value, addition and subtraction, multiplication and division, measurement, properties of shape, graphs and data collection, mental strategies and all multiplication tables, investigations and problem solving.

Computing

We will be learning about 'E' Safety - How to keep safe when using the internet, as well as the uses of the internet for research. We will also continue to develop word processing skills and use of computer programs.

English

Fantasy stories, imaginative recounts, play scripts, explanation texts, report writing, instructions; alongside weekly comprehension, handwriting, spelling, punctuation and grammar tasks.

ART/DT

We will be creating our own Egyptian cartouches, replicating hieroglyphs and sculpture from the Ancient Egyptians. We will also create our own Christmas decorations taking inspiration from our two comparative locations.

SCIENCE

The Human Digestive System- we will learn the basic organs and their functions of the digestive system. Digestive organs were important to the Ancient Egyptians and essential to the mummification process! Habitats- we will look into different habitats and the variety of wildlife and plant life that live there. We will look closely and compare the habitats of our chosen countries.

RE

We will investigate a variety of different religions, first exploring the pilgrimages each religion take, and then the important people in different faiths.

Year 4 Creative Planning: Tomb Raiders! Through the Keyhole

GEOGRAPHY

'Through the Keyhole' will focus of two different geographical locations. We will investigate and compare location, climate, culture and ecology of both locations.

MUSIC

We will be following our Charanga music scheme, where we will learn to play the glockenspiel and investigate the music of ABBA.

HISTORY

'Tomb Raiders' will explore the Ancient Egyptian civilization; how it developed over time and its influences on modern life. This topic will also cover how society was organized, religion and beliefs and exploring art work and forms of communication.

PE

Children will take part in a variety of athletic, gymnastic activities, whilst continuing learning different skills for games and sportsmanship.
