

### English

The children will be looking at a wide range of grammatical skills needed to enhance their writing.

They will have one separate lesson of spelling per week where they will be learning spelling rules and patterns.

The children will be tested on these spellings each week and be expected to practice at home.

The children will also be securing their comprehension skills and improving their understanding of vocabulary.

### Maths

Children will be strengthening their number skills including place value of numbers and decimals. They will be securing their knowledge of addition and subtraction, multiplication and addition using written and mental methods. They will be solving worded problems to do with shape, angles, fractions and measures. The children will also be given opportunities to discuss their answers and give reasons.

### PE

The children will be applying their skills needed for the game Handball. They will be given the opportunity to practice basic skills such as throwing, catching, passing and shooting.

Tennis- The children will learn different team work skills, how to give clear instructions and techniques needed to succeed in the game.

# Creative Planning: Battle of Britain Year 6

### GEOGRAPHY

As part of the topic, the children will be exploring the effects that the war had on Britain. The children will be attending the local RAF bunker, to help further their understanding of how the local area had an impact on the outcome of the Battle of Britain.

### SCIENCE

#### Living Things

Children will be learning how to classify different types of animals into their correct genus and species group.

### HISTORY

The history topic this term will be 'The Battle of Britain'. The children will be expected to produce written work based on the events during this period of the Second World War, which includes rationing, evacuation and the Blitz.

The children will also look at a significant person in history- Winston Churchill- the Prime Minister that saw Britain through the war.

### RE

This term, the children will be learning about Freedom and Justice. They will explore the different interpretations of the terms, using different religious stories as a tool to help them understand what is meant by these words.
