

ICT

Children will be developing their knowledge of rules E-Safety.

MATHS

Children will be investigating number from 50 to 100. Children will be exploring multiplication and division, as well as continuing with addition and subtraction. Money, place value, time, capacity and volume will also be covered in the Summer Term.

LITERACY

Children will be writing in a variety of styles including: instructions, diaries, poetry, non-fiction writing and fiction writing through fantasy stories.

SCIENCE

Children will be learning about lifecycles and living and growing through planting and monitoring growth and changes of a bean plant.

Children will also be learning about different types of animals and their habitats.

READING

Children will carry out guided reading once a week on a range of topics.

Children will also explore a range of fiction and non-fiction texts.

Children will read 3 times a week on BugClub.

ART/DT

Children will be studying the work of Vincent Van Gogh.

In DT they will be designing and making a habitat for an animal.

Year 1 Creative Planning:

Summer 1 – Plants

Summer 2 – Animals and living things

RE

Children will be exploring stories and teachings of Buddhism. We will continue to look into Christianity through the miracles of Jesus and other stories from the Bible.

GEOGRAPHY

Children will be learning about physical features of the UK.

MUSIC

In music, children will explore different instruments.

PE

Children will be learning racket and ball skills required for tennis.

In the second half term children will take part in a variety of athletic activities.

HISTORY

Children will be exploring the lives of famous people, including Vincent Van Gough.
